# Cal Thomas is Coming to Town

**November 4, 2011**

With a twice-weekly column appearing in more than 550 newspapers nationwide, Cal Thomas is the most widely read and one of the most highly regarded voices on the American political scene.

He'll be appearing with Bob Beckel next Friday, November 11, in Dallas as part of the the National Center for Policy Advancement (NCPA) Hatton W. Sumners Distinguished Lecture Series.

Cal Thomas and Bob Beckel, authors of the popular column "Common Ground" in USA Today, are at opposite ends of the political spectrum yet share similar critiques of the problems in Washington and the overwhelming partisan divide.
